

## 25 SUPERVISED MAMMOGRAMS

### ABOUT THE WORKSHOP

As a requirement of the Mammography Quality Standards Act (MQSA), all radiologic technologists must perform 25 supervised mammograms in addition to the required credit hours.

Achieving Quality Imaging has partnered with medical facilities in Las Vegas, NV, Tampa, FL, and Grand Rapids, MI where you can perform your 25 supervised mammograms.

### WHO SHOULD ATTEND

Any radiologic technologist looking to fulfill the MQSA requirement for 25 supervised mammograms or any radiologic technologist previously certified in mammography who has been out of practice for 2 years and needs to requalify.

For those who are attending an Achieving Quality Imaging Initial Training in Mammography (ITM) Conference, you can obtain ALL of your initial mammography training by opting to remain two more days to perform your 25 supervised mammograms.

### WORKSHOP CREDIT

The 25 Supervised Mammograms Workshop will provide attendees with 12.5 credit hours toward the 40 credit hours needed for initial training in mammography.

In order to be eligible for the 25 supervised mammograms workshop, you MUST also attend our Positioning Workshop during any of our Initial Training in Mammography seminars.

Upon successful completion of the positioning workshop, you will be allowed to perform your 25 Supervised Mammograms.

### WORKSHOP AVAILABILITY

Availability is limited and on a first come, first served basis.

## WORKSHOP COST

**\$350** - If Attended an AQI Initial Training in Mammography Seminar and Successfully Completed the Positioning Workshop Within the Last 90 Days.

**\$550** - If Attended an Initial Training in Mammography Seminar Not Presented by AQI or any Radiologic Technologist Needing to Requalify. Positioning Workshop is Included in Cost and Must be Completed Prior to Attending the 25 Supervised Mammograms Workshop.

## CANCELLATION POLICY

Reservation deposits are non-refundable. To receive a partial refund (workshop cost minus \$100 reservation fee), requests must be postmarked fourteen days prior to the first day of the workshop.

Cancellations postmarked less than fourteen days prior to the first day of the workshop will receive credit (minus a \$25.00 administration fee) toward another workshop conducted by Achieving Quality Imaging.

Refunds will NOT be granted for no shows.
